## Corporate Profile

# RISHABH DIGHA STEEL AND ALLIED PRODUCTS LIMITED

The grass root level operations commenced in 1989 from a single shed in Navi Mumbai. In mid-1990s with the growing infrastructure demands of the liberalized nation, the privately held company acquired the present 5,340 sq. meters location from MIDC in the industrial development belt at Taloja, which is just a couple of hours drive from the financial capital of India; Mumbai and strategically located near JNPT with adequate infrastructure for easy transportation of heavy goods .

The company expanded gradually with continued dedication and vision of the promoters, it progressed to a public listed company and listed on Bombay Stock Exchange (BSE). The company has been paying healthy dividend to its shareholders for the past few years.

## **Bright Future**

Indian Domestic Steel demand is set to grow exponentially driven by massive investments in infrastructure, automobile ,construction, capital goods, consumer durables industries. Expansion plans by domestic players may boost the demand for the steel in the country. Besides this, factors like growing economy, availability of skilled human at cheaper rate, large consumer base may attract the new players to enter into industry. Steel production is expected to grow up to 80 mm tones on the basis of massive capacity additions, by 2012.
